DEPARTMENTAL CIRCULAR NO. 732

TO HEADS OF DEPARTMENTS AND INDEPENDENT ESTABLISHMENTS

SUBJECT: The reevaluation under security standards of Executive Order 9835 cases.

Section 4 of Executive Order 10450 provides for the review and readjudication of full field investigations conducted under Executive Order 9835 of March 21, 1947, unless such cases have been adjudicated under a security standard commensurate with that established in the latter Executive Order. It is recognized that departments and independent establishments will wish to complete the necessary reviews and readjudications under Section 4 of the Order as expeditiously as possible and, in any event, not later than the end of the current fiscal year.

In order that the present status of this phase of the work may be determined and an analysis made of the resources available for completion of the work, answers are requested to the following questions:

1. How many cases falling under the provisions of Section 4 of E.O. 10450 remain to be reviewed and adjudicated under the standards of the Order in your department or agency?
2. Will you complete this phase of the work in the current fiscal year?
3. If you estimate that you will be unable to complete this review and readjudication in the current fiscal year, furnish a statement explaining the reasons for being unable to do so.

Please furnish the information requested not later than 20 days from the date of issuance of this Departmental Circular.
